Grant Park Women's Weekend Golf League

*Play 18 holes Sunday mornings
at historic Grant Park Golf Course
in South Milwaukee*

A PART OF
WISCONSIN
GOLF HISTORY
FOR
OVER 75 YEARS

Q. How well do I have to play to join the League?

A. Members have a wide range of abilities. Our handicaps range from the teens to the 50s. Generally, you should score under 130 for 18 holes. You should also be accustomed to an acceptable pace-of-play.

Q. What if I don't have a handicap?

A. Each player pays a slope fee to the Wisconsin State Golf Association (WSGA). Submission of three scores is all it takes to establish a handicap -- 9-hole scores do count.

We submit ALL scores, from any course, to the WSGA. Your handicap index is adjusted the day after each round is posted.

Q. What types of competitions do we play in?

A. We have monthly events that are usually match play (number of holes won by each player rather than the number of strokes taken). We also have weekly events such as most three putts, best poker hand or low gross minus putts.

Q. Do I have to play against better players?

A. The idea of the League is to improve your game and meet new women who also enjoy golfing. We do have matches with a variety of players. However, most matches are handicapped to equalize the competition. Prizes and awards are based on your flight. Flights consist of players with comparable skill levels.

Q. What happens to the League membership dues?

A. The majority of membership dues are redistributed to the members as prize money at the Fall Banquet. Some of the funds are used to defray the cost of events such as the Spring Luncheon or Opening Day. Players qualify for prizes once they have a handicap and have participated in five weekly events and at least one monthly event. That also qualifies them for the League championship.

Q. What if I have to miss some Sundays?

A. Most of us have to miss occasionally. You can reschedule a match for a Saturday, or you can forfeit your match. Members try to accommodate each other whenever possible.

If you know you will miss a few weeks, you don't have to sign-up for the monthly match, but can still play the weekly events that you can attend.

Q. Are there any special events connected with the League?

A. We have a Spring Luncheon, Opening Day, Jamboree and Fall Banquet.

Many members also participate in a variety of Wisconsin State Golf Association tournaments throughout the state. These tournaments are not part of the League activities but many members enjoy teaming up for the tournaments.
